Beren
DIŞ TİCARET

2014 yılında Kayseri Organize Sanayi Bölgesi'nde kurulan Bayram Çelik Kapı, bugün 10.000 m² kapalı alanda yıllık 24.000 adet kapı üretim kapasitesiyle sektörün öncü kuruluşlarından biri haline gelmiştir. Kuruluşumuzdan bu yana ürettiğimiz Baykadoor markası, estetik tasarım anlayışını üst düzey üretim disipliniyle bir araya getirerek güvenli ve şık çözümler sunar.

Ürünlerimiz; TS EN 16034 standardına uygun TSE Belgesi kapsamında E90, EI2 45 ve EW30 sınıflarında yangına dayanıklı çıkış kapı takımları, ISO 9001:2015 Kalite Yönetim Sistemi Belgesi ve Türk Patent ve Marka Kurumu nezdinde tescilli "Baykadoor" markasıyla güvence altındadır. Bu belgeler, üretimimizin ulusal ve uluslararası standartlara uygunluğunu ortaya koymaktadır.

Bayram Çelik Kapı, yalnızca ürün kalitesiyle değil, çevreye duyarlı üretim anlayışıyla da fark yaratır. Fabrikamızda kurulu GES panelleri sayesinde kendi enerjisini üreten tesisimiz, düşük karbon ayak izli üretim modeliyle sürdürülebilir bir geleceğe katkı sağlamaktadır. Ayrıca 1831 Yeşil İnovasyon Teknoloji Mentörlük Programı kapsamında kabul edilen projemiz, yenilikçi vizyonumuzun somut bir göstergesidir.

Bugün gerek yurt içindeki büyük ölçekli projelerde gerekse Ortadoğu, Afrika, Balkanlar ve Avrupa ülkelerine gerçekleştirdiğimiz ihracatlarla Baykadoor markası, sektörde hak ettiği konuma ulaşmıştır. Grup şirketimiz Beren Dış Ticaret Ltd. Şti. aracılığıyla uluslararası pazarlarda büyümeye devam ediyoruz.

2027 koleksiyonumuzda yer alan modellerle; yılların birikimini ve tecrübesini, güvenlik, estetik ve kaliteyi bir arada sunan tasarımlarla siz değerli müşterilerimizle buluşturmaktan mutluluk duyuyoruz.

Founded in 2014 in the Kayseri Organized Industrial Zone, Bayram Steel Door has grown into one of the industry's leading manufacturers, with an annual production capacity of 24,000 doors across 10,000 m² of covered facilities. Since our founding, our Baykadoor brand has combined refined aesthetic design with rigorous manufacturing discipline to deliver safe, elegant solutions.

Our products are backed by a TSE Certificate of Conformity (in accordance with TS EN 16034) covering fire-resistant exit door sets in classes E90, EI2 45, and EW30, an ISO 9001:2015 Quality Management System Certificate, and the "Baykadoor" trademark, registered with the Turkish Patent and Trademark Office. These certifications confirm that our production meets both national and international standards.

Bayram Steel Door stands out not only for product quality but also for its commitment to environmental responsibility. Our facility generates its own energy through an on-site solar power system, supporting a low-carbon-footprint production model that contributes to a sustainable future. In addition, our project's acceptance into the 1831 Green Innovation Technology Mentorship Program is a concrete reflection of our innovative vision.

Today, through major domestic projects as well as exports to the Middle East, Africa, the Balkans, and Europe, the Baykadoor brand has earned the position it deserves within the industry. Through our group company, Beren Foreign Trade Limited Company, we continue to grow in international markets.

With the models featured in our 2027 collection, we are proud to bring you designs that combine years of accumulated experience with security, aesthetics, and quality.

Çok Amaçlı Çıkış Kapıları
Multiporse Exit Doors

Her renkte her ölçüde...

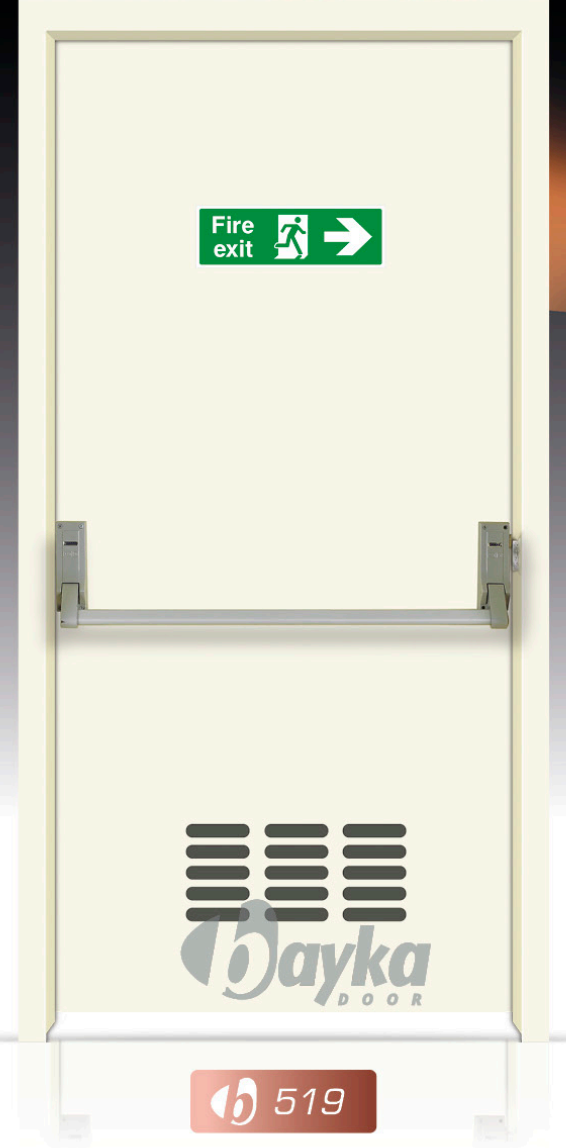

Her renkte her ölçüde...

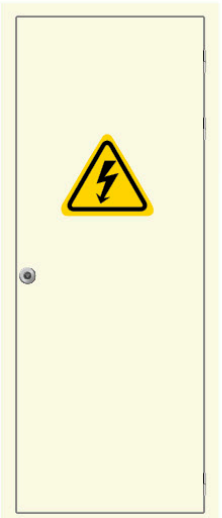

Acil durumda her zaman hazır

Baykadoor yangın çıkış kapıları, TS EN 16034 standardına uygun olarak Türk Standardları Enstitüsü (TSE) tarafından belgelendirilmiştir (Belge No: 127186-TSE-02/01). Ürünlerimiz; E90 (90 dakika yangına dayanıklılık), EI2 45 (45 dakika yangına dayanıklılık + yalıtım) ve EW30 (30 dakika ısı yayılımı sınırlaması) sınıflarında test edilmiş, ayrıca kendi kendine kapanma yeteneği ve korozyona karşı dayanıklılık açısından da onaylanmıştır.

Can ve mal güvenliğini önceliklendiren bu belgelendirme, Baykadoor'un yangın kapılarında da aynı üretim disiplini ve kalite standardını sürdürdüğünün güvencesidir.

Şaft Kapakları

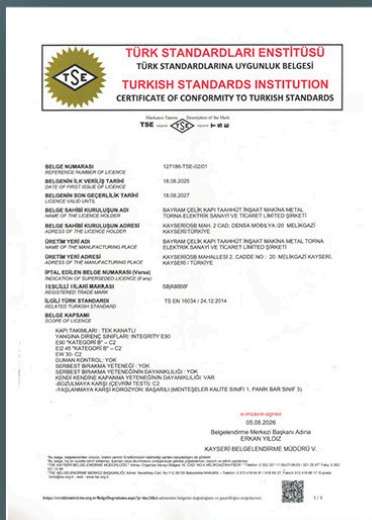

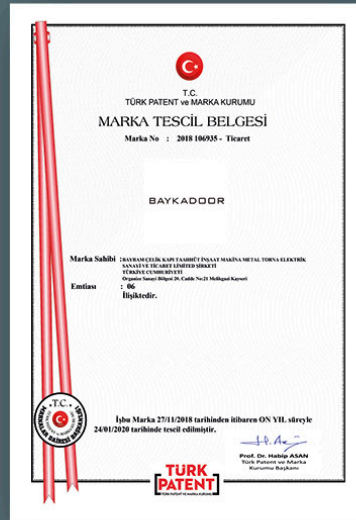

Always ready in case of emergency

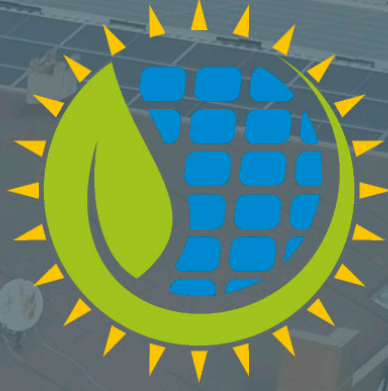

Baykadoor fire exit doors are certified by the Turkish Standards Institution (TSE) in accordance with TS EN 16034 (Certificate No: 127186-TSE-02/01). Our products have been tested and approved in classes E90 (90-minute fire resistance), EI2 45 (45-minute fire resistance + insulation), and EW30 (30-minute limited radiation), and have also been verified for self-closing capability and resistance to corrosion.

This certification, which prioritizes the safety of life and property, is your assurance that Baykadoor upholds the same manufacturing discipline and quality standard in its fire doors.
